Ocean View Estates, Carlsbad, CA

A rare offering in Olde Carlsbad's Ocean View Estates, this custom five-bedroom residence was fully renovated in Sept. 2024, thoughtfully reimagined with an uncompromising level of design, craftsmanship, and luxury. Set on a quiet cul-de-sac with sweeping Pacific Ocean views, breezes & sunsets, the home was carefully designed to blur the line between sophisticated indoor living and the vast coastal horizon. The expansive main living space serves as the heart of the home, where natural light, warm wood tones, and oversized picture windows frame striking ocean views. The open-concept kitchen is anchored by a statement island wrapped in honed Florida Wave quartzite, complemented by custom cabinetry, luxe gold fixtures, a pot filler, and premium appliances. Engineered hardwood flooring, smooth-finish walls, designer lighting, and curated RH fixtures and mirrors carry a cohesive sense of understated luxury throughout. Nearly 1,000 square feet, the private 2nd-floor primary retreat is a destination of its own, with panoramic Pacific views from the bedroom, retreat, wet bar, and private balcony. A second primary suite and three additional bedrooms offer exceptional flexibility for family, guests, or multigenerational living. Outside, multiple patios with ocean views extend the living experience into Carlsbad's year-round climate, with a pergola, fire pit, custom outdoor island, mature landscaping, citrus trees, and a tranquil water feature. Minutes from the beach,

Carlsbad Village, and highly regarded schools, 2140 Janis Way is a rare combination of scale, custom design, and extra
