La Costa Greens, Carlsbad, CA

Rarely available in one of the final developed private enclaves within La Costa Greens Solterra community. This secure and intimate neighborhood consists of just 38 homes, offering a rare blend of privacy and convenience. The larger two-story scale model spans 2,196 square feet and features a highly desirable floor plan with 4 beds, 3 full baths, and an upstairs loft that can easily be converted into a 5th bed if desired. 1 full bed and bath on the main level create the perfect setup for multigenerational living, guests, or extended stays with family and friends. Built in 2010, the home was thoughtfully designed with modern architecture and functionality in mind, including taller ceilings, wider hallways, oversized doors, and an abundance of windows that fill the interior with natural light. The spacious kitchen is centered around an elongated stone island and includes stainless steel appliances, a gas range, and a walk-in pantry. Upstairs, you'll find three additional bedrooms, two full baths, a dedicated laundry room, and a versatile loft space complete with a private balcony. The generously sized primary suite offers a large walk-in closet, dual vanities, and a soaking tub. The exterior is designed for low-maintenance enjoyment and entertaining, featuring mature palms, artificial turf, a built-in fire pit, and a custom BBQ island plumbed with gas and electrical. EV charger already installed in the garage. The community clubhouse, tennis courts, and pool just moments away. Ideally situated directly behind
