Carlsbad, Carlsbad, CA

Some homes you walk into and immediately feel the difference. This is one of them. Tucked into the sought after Casa Loma community in Carlsbad, this townhome has been thoughtfully reimaged from the studs out, and every finish feels intentional. Both bathrooms are fully remodeled. The kitchen wears crisp shaker cabinetry, brand new stainless steel appliances, and warm recessed lighting that makes the whole space glow. A striking stone veneer wall climbs the fireplace and anchors the living room, where floor to ceiling light pours in and the sunset takes over each evening. Freshly painted throughout, dressed in all new window coverings, with carpet just a year young. The outdoor space is the quiet showstopper. An oversized fenced entry patio opens to a private terrace built for slow evenings and Carlsbad sunsets, while the landscaped side yard flexes as a dog run, a garden, or whatever suits your life. Upstairs, dual primary suites offer real separation and flexibility, each with its own space to breathe, and the second sunset view waits from the upper bedroom. Then there is the bonus. Off the laundry room sits 168 square feet of finished flex space, ideal for a gym, an office, a studio, or serious storage, and none of it counts against the listed square footage. It is simply extra. Move in ready homes with this level of care rarely surface in Carlsbad. Come see it before it is gone!!
