Terramar, Carlsbad, CA

Are you searching for a new California modern contemporary single-story home with clean lines and bold surfaces that is beach close? With ocean views? Plus an ADU too? This is it! The phenomenal great room is flooded with natural light, and the kitchen features high-end Miele appliances, Euro-modern lighting, separate coffee bar plus a sleek chef's island perfect for entertaining. Big money has discovered Terramar and new coastal estates are being constructed everywhere - with a handful of Terramar non-oceanfront homes having sold for \$3 million to \$6 million recently. A similar home at 5170 Carlsbad Blvd. sold in February for \$6,500,000 with less ocean view - wow! Meticulously crafted, this stunning architectural masterpiece is now ready for the coastal buyer who wants a trophy property remarkably close to the Terramar private-gate beach access!
