Rancho Carrillo Montevina, Carlsbad, CA

*The Kind of Home They Build Movie Sets to Look Like*Some homes are built for a season of life where mornings move at your pace, where the view outside your window is worth lingering over, and where everything you need is right at hand. This Montevina home at Rancho Carrillo was made for exactly that. Tucked behind the gates on a private, single-loaded street, this home shows like a movie set- the kind of place where every detail feels intentional and every room earns its place. The main living experience-primary suite, two additional bedrooms, kitchen, and family room “flows beautifully on the main level. Vaulted ceilings, travertine floors, and an open kitchen with granite countertops create a space that feels both generous and easy to live in. Plantation shutters and automatic blinds add a quiet sense of polish throughout.Upstairs, a west-facing loft with a private balcony offers a flexible bonus space “a home office, hobby room, or optional guest bedroom “with front-row seats to some of the most beautiful sunsets in Carlsbad. That golden hour light over the canyon? It never gets old.Rancho Carrillo wraps it all in resort-style living: walking trails, a pool, a swim club, parks, and a clubhouse -true community without the upkeep.If you've been waiting for a home that honors this season of life “main-level ease, natural beauty, and room to breathe “you just found it!
