Step into a breath of fresh air as you take in this luxurious La Costa Greens treasure! Enter in through the gated courtyard, past the bubbling fountain and find yourself under soaring ceilings flanked with wood beams and uniquely gorgeous crown molding. An entire downstairs remodel in 2019 brought in exquisite European oak hardwood floors with upgraded baseboards leading to a wall of windows that show off sunset views over the Omni La Costa Resort and golf course. The light and bright gourmet kitchen boasts a large island & eat-in kitchen, quartz counters, stainless steel appliances, double ovens and an amazing butler's pantry/prep kitchen with sink and storage galore right off an additional dining area that overlooks yet another elegant courtyard with custom water feature! This four-bedroom, four full-bath home offers one bedroom and full bath downstairs. Upstairs, an airy loft is perfect for a play room, home gym or office. The master bedroom shows off the incredible views and the ensuite master bath, with separate vanities, features a large walk-in closet with custom organizers. One of the secondary bedrooms has a full attached bath, perfect for guests! The private backyard is beautifully finished for relaxation and entertaining with outdoor speakers and no neighbor behind you! Two AC units (one for each level) and dual-pane windows throughout are other bonuses.
