3 Bedroom, 2.00 Bathroom, 1,336 sqft

Residential

Chula Vista, Chula Vista, CA

This 3-bedroom, 2-bath home offers approximately 1,336 square feet of living space, original hardwood floors and plumbing that has been replaced. One bathroom has already been updated and features a shower/tub combination. This home is situated on a large nearly 9,000 square foot flat lot with mature lemon, orange and persimmon trees. With convenient side access, the property may offer excellent potential for an ADU, expansion, RV parking, or an outdoor retreat. An additional unpermitted space of approximately 288 square feet provides even more possibilities. The interior is ready for cosmetic updates, and the exterior needs maintenance, but the home has good bones and plenty of upside. Bring your imagination, creativity, and a little hard work to transform this property into something truly special.
