$749,800
4 Bedroom, 2.00 Bathroom, 1,814 sqft
Residential on 0.13 Acres

Robinhood Point, Chula Vista, CA

Step inside and discover a home that lives even bigger than it looks, with an open, comfortable flow and large bedroom windows plus two garden windows for natural light. The private backyard, with no homes behind it, offers room for a future pool, while it currently has a covered patio accessible via two sliding doors. The oversized garage fits two vehicles with abundant storage to spare (a working second fridge conveys and can be removed for more space). Storage abounds: a kitchen pantry, island/nook storage, a cabinet with a bifold door that allows for deep storage, a hallway slider unit, a linen closet, and generous master bath storage. The primary bedroom is spacious with a walk-in closet. Recent updates include new luxury vinyl plank flooring, refinished baseboards, restored tile and grout, and fresh interior paint throughout. Also new: matte black hardware, outlets, switches, closet slider tracks, and toilet seats. The backyard features mature fruit trees (grapefruit, lemon, tangerine, guava, loquat, calamansi) and a recently stained fence, plus shutters, a security system, and a ceiling fan. Set on a large corner lot at the end of a quiet cul-de-sac with easy I-805 access, this home offers a private parking pad with potential for a tandem pad, subject to HOA approval. Low HOA fees cover front yard maintenance and fund community upgrades, including renovated tennis/pickleball and basketball courts, a new entrance sign, and a new playground.
