TOP OF THE HILL. NO HOA. ORIGINAL OWNER. CULDESAC. One of the neighborhoods most sought-after lots, is now your opportunity! 934 Lafayette Place was one of the premier lots when this neighborhood was built. Now offered by its original owner, its an opportunity to own a special property with the added benefit of NO HOA. That means no monthly association dues biting into your housing budget, more buying power, and more freedom to make it your own. A nearby pathway takes you down to the pedestrian park below, the lake at Eastlake is within walking distance, and shopping and dining at Village Walk at EastLake are close by. Its a location that makes it easy to get outside and enjoy the neighborhood while keeping everyday conveniences nearby. The home also gives you options. Theres a two-car garage, plus an original second garage that has been converted into a guest suite with its own entrance. Keep it connected to the main home for additional living space or close it off for more privacy when hosting guests, sharing a home with extended family, or working from home. Wood shutters, built-in cabinetry, and newer kitchen appliances add to the appeal, while mature trees bring something extra to the backyard. A special lot, a flexible layout, and no HOA. If youve been waiting for a home with this combination, come see what makes 934 Lafayette Place stand out.
