Village of Coronado, Coronado, CA

A classic Coronado home sits just a short walk to Orange Ave shops and dining, and two short blocks to the sands of Central Beach - walk or bike to everything that is Coronado living. An inviting front porch greets you, overlooking a wide 65-foot lot framed by mature trees and lush landscaping. Inside, the barrel-ceiling living room glows with light from windows on three sides, anchored by a cozy wood-burning fireplace. The single-level layout flows naturally around a charming center courtyardâ€”complete with its own outdoor fireplace and ivy-draped wallsâ€”offering a private, sunlit haven for twilight dinner parties and late-night chats under the stars. The kitchen is a culinary dream, outfitted with premium Wolf and Sub-Zero appliances alongside endless counter space. Throughout the home, fresh wood floors, designer lighting fixtures, updated electrical and plumbing, and a new Heat/AC system blend vintage warmth with effortless modern comfort. Step out back to discover a spacious yard featuring a whimsical outdoor shower and a massive central Jacaranda tree strung with Italian lights. With approved plans for an 800 sq ft ADU or guest house, the potential to build a true multi-generational sanctuary is already in place. Everything needed to create a lifetime of coastal memories is right here. 811 10th Street captures the magic, charm, and relaxed ease of single-level courtyard livingâ€”all just steps from the very best of Coronado.
