Welcome to Base Camp!*4.12 Acres *Surrounded by environmentally protected land. *Only 2 other homes in the area. A Fortified Retreat, Hidden in Plain Sight, Gated. Secluded. Set within 4.12 acres inside a protected ecological preserve, this is a property built for those who value their solitude and their sightlines. Sweeping 360-degree views stretch out in every direction, with only two neighboring properties visible, the rest is uninterrupted land and sky, protected from future development by the preserve itself. This isn't just a home. It's a basecamp. Run the perimeter on your own private trail system, marked at the trailhead by a stacked stone cairn. Post up at scenic overlooks that are yours alone. Cool off in the pool after a day spent scouting the land or disappear into the woodworker's shed,a fully enclosed workshop built for whatever you're building next, ideas or otherwise. Inside, the compound is as comfortable as it is defensible: exposed beams, a brick fireplace built to last, fresh paint, tough-as-nails luxury vinyl plank flooring, and dual-pane windows that keep the elements out and the energy bills down. The layout is flexible by design with three bedrooms upstairs anchored by a private primary suite, and a separate ground-floor wing with its own entrance, ideal as a private office, guest quarters, or a self-contained space for whoever's holding down the fort. Outside your door, the wild stays wild. Hawks circle overhead. You're not visiting nature
