

\$4,495,000 - 1331 Berryman Canyon Road, Encinitas

MLS® #NDP2609038

\$4,495,000

4 Bedroom, 4.00 Bathroom, 5,064 sqft

Residential on 1.31 Acres

Encinitas, Encinitas, CA

Living like a single level on approximately 1.31 acres, this 5,064-square-foot bespoke residence offers four bedrooms and three-and-a-half baths, with interiors thoughtfully curated by Design by HOD and custom-built by Ironside. Sophisticated and richly layered, the interiors balance warm, organic materials with moodier, more dramatic moments. Black raked plaster walls, Phillip Jeffries wall treatments, real wood parquet ceiling accents, Visual Comfort lighting and refined brass finishes create striking contrast and natural textures. A dramatic vintage-inspired black Marmorino plaster fireplace anchors the main living space, while floor-to-ceiling walls of glass create a seamless connection to the outdoor living areas. The chefs kitchen features Fisher & Paykel appliances and opens to generously scaled spaces designed for effortless entertaining. A spa-inspired primary suite, spacious secondary bedrooms and flexible living areas bring together elevated design and everyday livability. Outside, more than an acre offers exceptional privacy and an extraordinary canvas for a resort-style setting, gardens and entertaining spaces. *Outdoor pool and landscaping digitally enhanced and AI-generated.*

Built in 2026
