Residential on 0.29 Acres

Encinitas Estates, Encinitas, CA

Tucked behind a gated courtyard entrance on nearly one-third of an acre, this thoughtfully refreshed single story 3-bedroom, 2-bath retreat captures the essence of relaxed Southern California living. Fruit trees, endless Passionfruit vines, and several garden spaces await. The property feels like a hidden sanctuary: peaceful, grounded, and quietly connected to nature. Freshly painted with updated kitchen and baths, the interiors are bright, warm, and effortlessly livable, while the expansive outdoor spaces create a lifestyle rarely found at this scale. Slower mornings, outdoor dinners, and a deeper connection to nature. The vibe is equal parts California cottage, creative retreat, and private wellness escape. A charming potting shed/playhouse adds personality and flexibility, while the oversized lot also offers exceptional potential for a future ADU with generous parking and the possibility for private access. The yard space opens the door to multigenerational living, guest accommodations, creative workspace, or additional income opportunities. Quietly positioned on the culdesac, near schools, restaurants, shopping, and everyday conveniences, the home offers that increasingly rare combination of accessibility and retreat.
