Olivenhain, Encinitas, CA

Nestled in the tranquil, scenic hills of Olivenhain's western countryside, this breathtaking modern Spanish estate—originally designed by Blythe Designs and remodeled by AVID Design and Build—seamlessly combines luxury, space, and enduring style. Inside, soaring 10'–14' foot ceilings and a sprawling open layout create an atmosphere that's both grand and inviting, featuring multiple bathrooms, an expansive garage, and a master retreat with a private balcony. Positioned on a generous lot of over an acre and facing the Little Oaks Equestrian facility and a protected preserve, the home enjoys serene green views and exceptional privacy. There's abundant space for a pool, ADU, or future expansion to further enhance value, all without the restrictions of an HOA. The quiet street is lined with friendly neighbors and offers convenient access to top-rated schools, the beach, and major freeways. The long, private driveway provides a sense of seclusion along with ample space for entertaining and guest parking. With its combination of growth potential, peaceful surroundings, and sophisticated design, this one-of-a-kind property perfectly blends country charm with refined living in one of Encinitas's most sought-after enclaves.
