MLS® #260003675

\$4,999,000

3 Bedroom, 3.00 Bathroom, 2,217 sqft
Residential

Leucadia, Encinitas, CA

Perched dramatically on the bluff above Stone Steps Beach, this award-winning oceanfront architectural masterpiece offers commanding, unobstructed panoramic views of the Pacific Ocean and coastline from one of Encinitas's™ most coveted streets. Designed by renowned architect Steven Lombardi and entirely rebuilt to custom specifications, the residence embodies the ultimate Southern California coastal lifestyle with seamless indoor-outdoor living and extraordinary attention to detail throughout. Spanning approximately 2,217 square feet, the home features three bedrooms plus an optional space, three baths, and a two-car garage, along with owned solar. A striking blend of natural woods, metals, stone, and expansive glass defines the architecture, creating a light-filled, airy environment that frames ocean views from multiple vantage points. Skylights, oversized windows, and disappearing glass doors allow natural light to filter throughout the home while capturing the ever-changing seascape. The heart of the home is the dramatic great room, where raised Douglas Fir ceilings, a custom gas fireplace, and pocket doors open effortlessly to an ocean-view terrace. Perfect for entertaining or soaking in sunsets, whitewater views, and the sound of the surf. The gourmet kitchen is clad in professional-grade appliances, poured and polished concrete countertops, Douglas Fir cabinetry, natural stone accents, and caramelized bamboo flooring.
