Residential

Encinitas, Encinitas, CA

Welcome to the ultimate North County Coastal retreat, a property that refuses to be defined by a single category. Situated on a rare, nearly 15,000 sq. ft. lot, this 4,200+ sq. ft. residence has been meticulously reimagined with a fresh, modern composition. Arrival is marked by a sweeping circular driveway with off-street parking for 7+ cars, setting the stage for a private sanctuary positioned to capture the sea breeze and the scent of the Pacific. The main home features soaring ceilings and a curated chef's kitchen that flows into expansive living spaces and sprawling, lush outdoor grounds with mature landscaping. A standout feature is the designer Speakeasy, a moody, custom-crafted lounge serving as a "secret" transition between the two wings, complete with access to a roughed-out wine cellar. The secondary wing offers incredible adaptability, featuring a full kitchen, living area, and private entrance. Currently configured with an expansive primary suite and an open loft with an ensuite bath. The loft is designed to be easily walled off to create an optional 6th bedroom. Whether used as a seamless family compound, an elegant guest sanctuary, or an autonomous income-producing ADU, the ultimate use is left to your imagination. Minutes from world-class surf, this is a rare opportunity to define your own coastal lifestyle.

The standard has been raised. Experience the versatility.
