4 Bedroom, 6.00 Bathroom, 7,024 sqft

Residential on 3.25 Acres

Rimrock Estates, Escondido, CA

Sit high above the clouds within the guard-gated enclave of Rimrock Estates, this extraordinary 7,000+ square foot home is enviably positioned on a 3.25 acre parcel that preserves unobstructed, panoramic vistas stretching all the way to the ocean. Designed to celebrate light, scale, and scenery, massive windows frame the picturesque views while flooding the interior space with natural light.

This property is a true example of a masterclass in craftsmanship, featuring Spanish Rojo Alicante stone, high-gloss solid cherry wood kitchen cabinetry, Arabescato marble sourced from the Carrara region of Tuscany, imported Jerusalem Gold limestone, and so much more. Soaring 25-foot ceilings in the living and dining rooms create a dramatic yet refined sense of arrival. Outdoor living features an infinity-edge pool showpiece with custom surfacing intended to resemble the ocean floor, expansive covered patios, and ample seating areas ideal for both grand entertaining and quiet moments above it all. Interior living is equally compelling, featuring a wellness retreat completely outfitted with an indoor jacuzzi, sauna, steam room, and fitness area. Notable upgrades include three whole-house fans, a four-zone HVAC system with new ducting, a newer roof with hand-crafted Baja clay tiles, a 400-amp electrical panel with three subpanels, and 48 fully owned Samsung solar panels providing more than enough energy one could possibly need. This is elevated living at its finest, both

figuratively and literally.
