N/A, Fallbrook, CA

This gated property is a spacious custom-built residence that combines rustic architectural elements (exposed wood beams and vaulted ceilings) with contemporary features (large windows, open floor plan, and extensive natural lighting). The design emphasizes connection to the surrounding landscape and mountain views. The setting feels secluded and scenic, with long-range views in multiple directions. The three-car garage with AC is perfect for a workshop. There's an extra pad available for potential future ADU options. Horses are welcome, and it's just a short ride to the Santa Margarita River Trail.
