Residential on 14.57 Acres

N/A, Fallbrook, CA

Rare opportunity to own 14 acres across two legal parcels in the rolling hills of Fallbrook, offering endless possibilities for multigenerational living, investment, or future development. Set atop a scenic hillside with breathtaking panoramic sunrise, sunset, mountain, and city light views, this custom Spanish Hacienda combines timeless character with exceptional flexibility. The main residence features classic Spanish architecture with beautiful tile flooring, granite countertops, Cherry Alder cabinetry, and a spacious central courtyard designed for entertaining or enjoying Fallbrook's peaceful surroundings. The detached garage was engineered to support a future second-story addition, while the owned solar system helps offset energy costs. Beyond the main home, the property includes a finished ADU, an additional unfinished ADU ready for your vision, a large 20' x 30' storage building, and productive agricultural acreage with mature avocado trees. A farmer currently maintains the grove and may continue with the property, providing a seamless transition for the next owner. The property is grandfathered to allow an additional residence, creating even more opportunity for expanded living, rental income, or future estate planning. Whether you're looking to create a private family compound, explore development potential, or simply enjoy over 14 acres of privacy and incredible views, this one-of-a-kind Fallbrook estate offers an opportunity that's increasingly hard to find.
