Residential

N/A, Fallbrook, CA

Welcome to a home that knows how to live well. Tucked into the oak-kissed hills of Fallbrook, this spacious 3-bedroom, 2-bath retreat in Valley Oaks Park offers approximately 1,700 square feet of comfort, charm, and just the right amount of ahhh. Set on an extra-large double lot, this home gives you room to breathe inside and out. The bright, open layout invites you in, while the roomy kitchen with a gas stove, generous storage, and easy flow into the family room and dining area makes everyday living feel effortless. A split floor plan adds privacy, and the primary suite goes above and beyond with its own bath, walk-in closet, and attached office nook, perfect for work, reading, or pretending to answer emails while enjoying a quiet moment. Two additional bedrooms offer flexible space for guests, hobbies, or whatever life brings next. Outdoors, the story gets even better: garden space, peaceful views, parking in the carport for up to three small cars, and a substantial 6' x 10' shed with a soaring 10' ceiling ready for tools, bikes, treasures, or ambitious storage dreams. Valley Oaks allows view decks, pergolas, and patio covers with park approval, and many neighbors have already embraced the chance to create their own outdoor havens. This home also offers the rare ability to add a rear gate for direct access to the park's scenic walking trails, a special perk for homes along this side of the community. Step out and wander toward the Pala Mesa golf course area through a natural

setting filled with trees, open space, your own little slice of nature just beyond the backyard.
