Sellers will consider offers between \$1M to \$1.025M. Some homes are built. This one was curated. Since its 2018 construction, the owners have spent years transforming this architecturally modern masterpiece into something genuinely rare, a one-of-a-kind, Imperial Beach retreat where every detail reflects intentional, elevated living. And now it's yours. Step outside and the story begins. A stone walkway leads you in. The backyard unfolds as a private resort: two pergolas with tea lights, wood-plank porcelain tile, a built-in BBQ, gas firepit, and an authentic Italian wood-fired pizza oven worth \$5,000. There's even an outdoor shower, a luxury for those who know what it means to come home from the beach. It continues inside, hand-painted tiles on the stairs, a Restoration Hardware crystal chandelier anchors the dining room, custom lighting thru-out, walnut wood floors and quartz counters set the tone. One bedroom & full bath on the 1st floor. Upstairs, hardwood floors in all 4-bedrooms. Samsung appliances in the kitchen, Samsung washer & dryer. The garage has built-in Husky metal cabinets, a PRX fold-flat wall gym, and ceiling rack storage. Premium vinyl fencing wraps the yard. Paid solar panels, EV charging, tankless water heater, CAT-6, Sonos surround sound on the first level, primary suite and rooftop deck. This home was built smart and kept that way. And then there's the roof with 360 views. Step up to the rooftop deck to enjoy stunning sunset views over the ocean up to Point Loma.

Watch downtown San Diego glitter and the iconic Coronado Bridge that arcs over the bay.
