Take a Look at This Beauty! The trustee has spent the time and money to present his family home with the respect it deserves. From top to bottom the home has been refitted with new windows, HVAC, doors, floors, kitchen and baths just to name a few. So much to share and the pictures will help with that. Fresh sod with automated sprinklers in front and a large, manicured canvas in the back. Side gate allows space for boat or RV parking. A new water heater is being installed into the spacious two car garage with new door and opener. The estuary is a couple of blocks away, the beachfront with dining and entertainment is a short walk, bike ride or minutes in the golf cart. Tucked away from IB Blvd yet close to NALF, Silver Strand Training Campus and Amphib Base Coronado, a few of the pictures were virtually staged.

Built in 1960
