Residential

La Jolla, La Jolla, CA

Rarely available in highly desirable La Jolla Woods, this spacious single-level residence offers an exceptional combination of location, lifestyle and convenience in one of La Jolla's most established communities. Offering approximately 2,310 square feet, the home features two generous en suite bedrooms plus a versatile bonus room ideal for a home office, den, guest space or additional living area. Expansive sliding glass doors create an effortless indoor-outdoor connection, opening the main living spaces to a private patio designed for enjoying La Jolla's year-round coastal climate. The oversized primary suite is a private retreat with its own sitting area and direct patio access, while two fireplaces add warmth and character throughout the home. The community pool is just steps away, offering resort-style convenience without the maintenance of a private pool. What truly sets this property apart is its exceptional location. Cliffridge Park, the YMCA, neighborhood recreation, elementary school and Little League fields are all just minutes away, creating a remarkably convenient and walkable lifestyle. UC San Diego is nearby, along with La Jolla Shores, Black's Beach, Torrey Pines, UTC and the restaurants, shops and amenities of La Jolla. With easy freeway access connecting you to the rest of San Diego while still enjoying the relaxed coastal lifestyle La Jolla is known for, this is a rare opportunity to own a single-level home in a community where properties seldom
