2 Bedroom, 3.00 Bathroom, 2,240 sqft

Residential

Mt Laguna, Mt Laguna, CA

A mountain home with the soul of a log cabin â€” warm wood accents, a spacious deck, peaceful forest views in every direction, and the rare bonus of a 4-car garage with a large loft and workshop. Located off Sunrise Highway in the heart of Mount Laguna, this 2-bedroom, 2.5-bathroom home also features a large interior loft, creating extra space for guests, a home office, media room, or mountain retreat. Set on just over half an acre, it offers room to spread out while still feeling tucked into the mountains. The main home is just over 2200 sq feet. This is the kind of setting where you can truly slow down and unplug, while still enjoying the benefits of owned solar and backup batteries. Walk to the local store or restaurant, head straight to nearby trails for hiking, biking, or horseback riding, or take a short drive to Julian, Cuyamaca Rancho State Park, and Lake Cuyamaca. Homes in Mount Laguna rarely come available, and this one offers a unique blend of cabin charm, flexible living space, energy efficiency, and an unmatched mountain location. Best of all, this property is on owned land â€” not Forest Service land. This is one worth seeing. First showings on Sunday the 12th from 11-1.
