Residential on 0.25 Acres

N/A, Oceanside, CA

Single-story home on a spacious quarter-acre lot in Oceansides Tri-City neighborhood. This property is recorded as a 4-bedroom, but one bedroom was opened up to create additional living space, making the home functionally a 3-bedroom layout. The home offers 1,302 sq ft with a traditional floor plan and excellent potential for updating or expansion. The large lot features mature trees, multiple access points, and a gated side yard leading to a studio with its own entrance ideal for guests, workspace, or storage. A 2 car garage and ample driveway parking provide convenience, while the expansive yard offers room for gardening, entertaining or future improvements. Located minutes from shopping, medical centers, schools, and major commuter routes, this home sits in a highly accessible Oceanside pocket with long-term upside. Currently pending.
