2 Bedroom, 2.00 Bathroom, 1,178 sqft
Residential on 0.02 Acres

N/A, Oceanside, CA

Located just minutes from Oceansides beaches and Camp Pendleton, this thoughtfully updated townhome offers a rare combination of coastal living, everyday convenience, and three private outdoor spaces of your own. Whether you're heading to work, spending the afternoon by the ocean, or meeting friends for dinner, you'll appreciate a location that keeps everything within easy reach while still providing a peaceful place to come home to. Inside, the bright and welcoming floor plan is designed for comfortable daily living. Fresh updates throughout mean you can move in and begin enjoying the home right away instead of planning your next renovation. Upstairs, both bedrooms create a quiet retreat away from the main living areas, offering added privacy for family members, guests, or a dedicated home office. The loft area is perfect for home office, entertainment area, or home gym. The feature you're likely to remember most is the outdoor living. Two private ground-level patios and a southwest-facing upper deck give you three distinct spaces to enjoy Southern California's year-round climate. Start the morning with coffee in the coastal breeze, host friends for a relaxed weekend barbecue, create a container garden, or unwind on the deck as the afternoon light begins to soften. Few homes offer this much private outdoor flexibility without the upkeep of a traditional yard. Everyday living is equally convenient. The detached garage provides secure parking

along with room for bikes, surfboards, golf clubs, seasonal storage, or the extra gear that comes with an active coastal lifestyle. On war
