MLS® #250040787

\$3,200,000

5 Bedroom, 5.00 Bathroom, 6,403 sqft
Residential on 6.58 Acres

Poway, Poway, CA

This unique Spanish-Mission hacienda was crafted to be both a beautiful, spacious home and a fully functional ranch. The design centers on grand scale and a connection to the outdoors. Inside, the ceilings create a sense of openness, with most rooms at 14 feet and the main living areas soaring to 20 feet. Some walls and ceilings have a hand-applied Venetian plaster finish, adding a subtle texture that catches the light and brightens each space. The nearly 7-acre property is as much a part of the home as the house itself. It includes a working barn of over 1000 sq ft, three stables for boarding, and a dedicated riding ring. Beyond the equestrian facilities, you'll find an orchard, coops and plenty of space for other activities. A pool and hot tub provide a peaceful spot to relax, making the property a true retreat. This is a rare chance to own a home where you can enjoy a comfortable, elegant lifestyle and a connection to the land....
