The Covenant, Rancho Santa Fe, CA

The Hahncienda: The Romance of Rancho Santa Fe. A luxurious Spanish Colonial revival style estate, perched on over 3 acres of lush landscaping. This is a rare opportunity to own an original historic Lilian J. Rice period home that seldom comes to market. The home has a pedigree that reaches back in time to the 1920s and represents an incredible example of the Spanish eclectic-style that was synonymous with that era of Southern California architecture. Sited on over 3 acres, the estate, designed in 1927, offers breathtaking lake views and timeless elegance in the heart of historic Rancho Santa Fe's Covenant, which today it is revered for its rural beauty, its golf and tennis facilities, equestrian lifestyle, dedicated riding and hiking trails and top rated schools. In the heart of the expansive interior is the elegant Rice-designed living room. A key feature is the Spanish-style fireplace with an oversized breast that reaches up to exposed rafters, another Rice signature design detail. The primary suite is a tranquil retreat with beautiful lake views and dramatic sunsets. Ensuite are his-and-hers bathrooms and dressing rooms, including a fireplace and sauna. The family-style kitchen features custom wood cabinetry, a fireplace and an expansive Mexican tile island with built in gas range and sink. The kitchen blends functionality and style, making it perfect for both everyday gatherings and entertaining. Adjacent to the kitchen is a butler's pantry, food pantry, wet bar and an office.

Built in 1927
