Residential

Marina District / Downtown, San Diego, CA

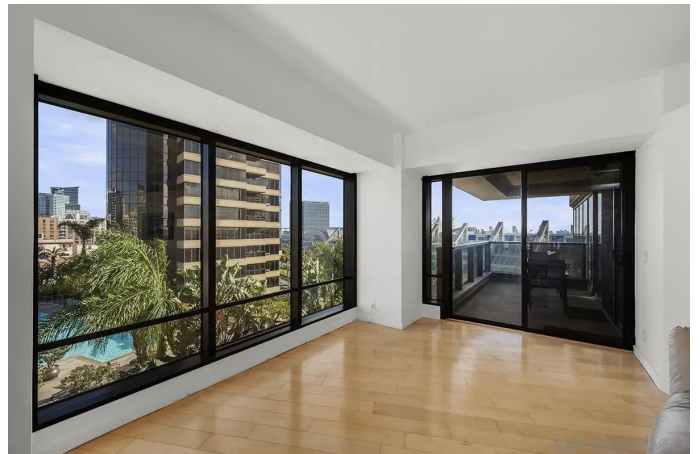

From your private balcony at Harbor Club, one of downtown San Diego's most sought-after addresses, you'll enjoy views of the Convention Center, the city skyline, and the building's lush tropical gardens and pool below. This is the kind of home that draws you in the moment you walk through the door. Sunlight pours through walls of windows, warming the hardwood floors and filling the open living space with an effortless glow. It's the kind of room where a quiet dinner at home feels just as special as a night out. And with the Gaslamp Quarter, the Marina, and Petco Park all just steps away, you'll have plenty of both. The kitchen keeps you part of the conversation while you cook, with clean white surfaces that make everything feel fresh and simple. When the day winds down, the primary suite becomes your own private escape with sliding glass doors open to the balcony, and the en-suite bath with a travertine walk-in shower and deep soaking tub. Living at Harbor Club means having the best of downtown San Diego right at your doorstep, with the feeling of a true retreat waiting for you every time you come home.
