3 Bedroom, 3.00 Bathroom, 2,303 sqft

Residential on 0.18 Acres

Bernardo Heights, San Diego, CA

One of a kind single story house in Bernardo Heights. Structure was completely remodeled in 2006 and went from 1800 SF to 2300 SF. I widened the side of the house by 5'6" in order to have a grand island kitchen and extended the back of the house by 10'. I added a new 400 SF patio with a massive gas fireplace. I replaced all of the windows with Milgard vinyl dual pane windows. And I added a 3rd bathroom off the family room. I added a new kitchen with all new cabinetry, Subzero refrigerator, Viking 6 burner stove, range hood, double convection ovens, a Bosch dishwasher and granite countertops. Three built-in desk/work stations on the side of the family room with filing cabinets and drawers at each work station with granite counter tops. Agents and clients please do your due diligence when investigating the property. Four of the windows and the sliding glass door track will be replaced by Milgard Windows under warranty on March 12th. The community association of Bernardo Heights includes clubhouse, gym, activity rooms, library, two pools upper and lower, 8 lighted tennis courts, and track. Membership also allows you to have use of Lucido Park. The community center also has activities, potlucks and games at the center. It's a great deal.

Built in 1987
