The Benton Apartments is a 20-unit condo-grade apartment complex situated on a 30,927 square foot lot in San Diego. Located with frontage on two streets at 1485-95 25th Street and 1502-30 27th Street on one contiguous parcel, the approximately 17,500 square feet of structures were built in 1985 and feature three buildings each with two stories and pitched roofs. All 20 units are 2 Bedroom / 2 Bathroom units. One unit is attached to the manager's office and one unit has a large family room. There are 27 parking spaces between the two parking lots. One parking lot has an automatic gate. Each unit has their own laundry hook ups with a full-sized washer and dryer as well as separate water meters. There is new fencing, landscaping, and signage. All units have their own private patio areas, some of which are very large, and one of which wraps around multiple sides of the unit. Two units have mini-split air conditioning units and half of the units have new vinyl plank flooring. There are security cameras and an approximately 300 square foot storage unit onsite. This is a turnkey asset for an investor. The property is close to multiple parks and schools as well as freeway access. In 2021, the roofs, fascia boards, and some siding were replaced and new paint was applied to the exterior and trim. New gutters were installed and in 2024, the parking lots were resurfaced. DO NOT WALK ON THE PROPERTY OR DISTURB TENANTS.
