2 Bedroom, 2.00 Bathroom, 1,040 sqft
Residential on 4.82 Acres

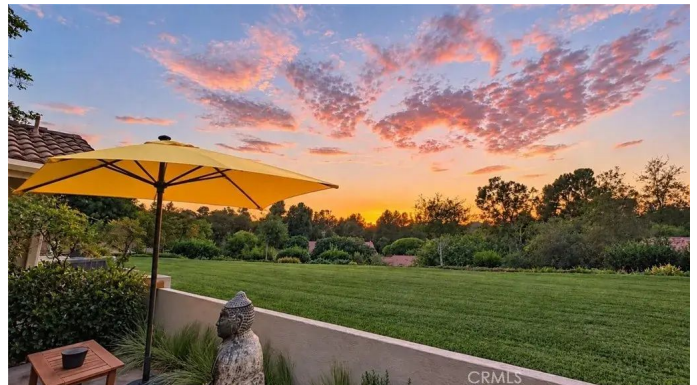

oaks north villas, San Diego, CA

You can change finishes. You can update a kitchen. What you cannot manufacture is privacy, orientation, and outdoor space. This single-level 2BR/2BA home in Oaks North Villas has all three. The rear patio opens to a peaceful greenbelt with no building directly behind it, creating a sense of openness that is hard to find and impossible to add later. Out front, a private courtyard creates a second outdoor living area and a quiet transition into the home. Inside, the 1,040 sq ft layout is comfortable, efficient, and easy to live in, with the main living areas connecting naturally to the patio. The result is a home that feels larger than its square footage because the outdoor spaces are genuinely usable, not just decorative. The setting is the real luxury here: a private front courtyard, a greenbelt-facing rear patio, single-level living, and a location within the community that feels calm and removed without being isolated. Oaks North is a sought-after 55+ community with swimming, pickleball, tennis, fitness facilities, clubs, nearby golf, and convenient access to Bernardo Winery, shopping, dining, and medical services.
