North Park, San Diego, CA

Welcome to one of North Park's most comprehensively renovated townhomes a turn-key contemporary retreat where the work has already been done, top to bottom, down to the plumbing. Tucked into a quiet, well-maintained Planned Unit Development. A true dual-primary-suite floor plan, designer finishes throughout, and a home where every major system has already been addressed. The story buyers should know: approximately five years ago, the seller completed a full-scale renovation brand-new kitchen, all-new flooring, full interior walls and ceilings, vanities, lighting, ceiling fans paired with a complete whole-home repipe. That work has been impeccably maintained, and the seller has now layered on a final round of premium updates to deliver a home that lives and feels brand new at handoff. Step inside to soaring smooth ceilings, fresh Chantilly Lace by Benjamin Moore paint throughout, and brand-new European White Oak luxury vinyl plank flooring on the main level. Recessed lighting illuminates the open living room, anchored by a striking designer-tile fireplace opening to your private outdoor patio for seamless indoor/outdoor San Diego living. The entertainer's kitchen is the centerpiece: refinished shaker cabinetry with quiet-close hardware throughout the entire home, brand-new natural quartzite countertops, designer backsplash, under-cabinet lighting, and stainless appliances.
