Mission Hills, San Diego, CA

1st time on market in over 40 years... elevated site sits above the curb. Long driveway and detached garage. 5000 sq. ft. lot. This South Mission Hills location conveniently located to Little Italy, the village of Mission Hills, freeways, beaches and the airport. In 1949 a Bungalow was all the rage in the post war era. Known for smaller, typically 1 story homes on larger lots to enhance the opportunity for buyers of that day to obtain housing in a great neighborhood. With room to build their future. Typical to the era this home offers oak wood floors, tile kitchen and baths offering modern, simple elegance. Today the 2 bed,1 bath bungalow offers that same opportunity for today's buyer. Sited on a 5000 sq. ft. lot with a rear lot view to San Diego City Downtown skyline. West facing to provide great natural light. Rear yard is a blank canvas for raised garden beds, or where your best landscape design is ready to unfold.
