MLS® #260015846

\$1,895,000

2 Bedroom, 2.00 Bathroom, 638 sqft

Residential on 0.24 Acres

Mission Beach, San Diego, CA

Wake up to dolphins playing in the surf — from your bed. At 3443 OFW, the Pacific isn't a view you go looking for; it's the first thing you see each morning & the last thing you watch each night. Panoramic Beach, Ocean, Boardwalk, Pier & Jetty views pour in from the main bedroom, living room, kitchen, dining area & your private deck, where San Diego's weather is magic year-round. Here's what sets it apart: most oceanfront units are built deep & narrow, trading away the very thing you came for. This one is built wide, not deep — engineered to capture water views in nearly every room. It's the unicorn of the boardwalk! Fully renovated in 2022 with high-end finishes & sold fully furnished, it's truly turnkey. Step inside to a light-filled, open-concept space crowned by skylights, with sleek finishes & designer furnishings throughout. Stay comfortable year-round with new (2024) A/C — three mini-splits — plus a new in-unit washer & dryer. The chic walk-up building delivers resort-style living: private gym, relaxing spa & BBQ area for entertaining. Daily life is effortless, with two assigned parking spots — a rarity at the beach — a built-in security system & private storage for bikes & beach gear. Two bedrooms, two baths, 638 sq ft of beautifully upgraded space & a front-row seat to the Pacific. Homes like this — move-in ready, view-on-every-side & in one of San Diego's most coveted addresses — rarely come to market. Schedule your private viewing today & experience 3443
