3 Bedroom, 2.00 Bathroom, 1,806 sqft
Residential

Mission Hills, San Diego, CA

A masterful reinvention of Mission Hills Character! Timeless Mission Hills character meets exceptional modern refinement in this thoroughly renovated 1949 residence. Thoughtfully upgraded from the ground up, the home blends original architectural details—including beautiful mullioned windows and distinctive louvered entry windows—with sophisticated contemporary improvements. The completely remodeled and redesigned chef's kitchen serves as the centerpiece, complemented by custom closet built-ins and a dedicated laundry room. Extensive infrastructure upgrades include new subflooring, new interior and exterior paint, a new main 400 amp electrical panel plus two sub-panels, 220V EV charging, two new tankless water heaters, and a reverse osmosis water system in the kitchen. These are only a few of the many upgrades and improvements that make this home truly outstanding. Every improvement has been carefully considered to preserve the home's vintage character while delivering the comfort, efficiency, and functionality of modern living. Beautifully reimaged and truly turnkey, this is a rare Mission Hills offering where architectural heritage and elevated modern living come together effortlessly. The renovations and upgrades are too numerous to list here so please see attached list, all of which have been completed by the current owners. This one is truly too good to be true!
