4 Bedroom, 3.00 Bathroom, 2,395 sqft

Residential

University City, San Diego, CA

A beautiful open-concept split-level home welcomes you with a clean terraced turf frontage, an attractive staircase leading up to a spacious front porch patio with a large water fountain. From the kitchen window, you can even catch hummingbirds bathing in the fountain. Enter through the front door into an open main level where the living room, dining area, and kitchen are thoughtfully defined while flowing effortlessly together. The gorgeous sunroom extension features vaulted ceilings and exposed wood beams. Filtered natural light fills the space through French glass doors and a picture window with views to the beautiful backyard. Hardwood oak flooring throughout the main living areas. Upstairs, the bright primary bedroom features a remodeled bathroom, a large closet, and French glass doors that open to a private balcony with beautiful wrought-iron railing overlooking the backyard retreat. Two additional bedrooms and an updated full hallway bathroom complete the upper level. The downstairs level offers a separate private living space with its own entrance from the side gate. This includes a TV/living room, an updated full bathroom, and a bedroom with a beautiful vaulted wood ceiling, sliding doors with pool views, and an adjoining sitting/kitchenette area. It is ideal for multigenerational living, guest accommodations, or possible ADU/rental use.
