Residential on 0.26 Acres

Del Cerro, San Diego, CA

Perched above the tranquil waters of Lake Murray, this newly reimagined home blends new construction with heavily renovated living spaces, sweeping views that stretch from the shimmering lake to the surrounding mountains, and glimpses of the Pacific Ocean and Coronado Bridge. Offering approximately 4,180 SF, 5 bedrooms, 4.5 bathrooms, and a 2-car garage, the home features a versatile floor plan with two primary suites; a main level suite ideal for multigenerational living or guests, and a private upstairs retreat opening to a wraparound balcony where lake and mountain views and vivid sunrises become part of daily life. Disappearing walls of glass flood in natural light and extend the living spaces outdoors to a lush lawn, sunken fire lounge, and beautifully landscaped grounds for entertaining from sunrise through twilight. The chef's kitchen centers on a backlit Cristallo quartzite waterfall island, paired with Taj Mahal quartzite, custom cabinetry, and premium appliances, flowing effortlessly into open living and dining spaces. The primary bath serves as a private spa with a freestanding soaking tub framed by lake and mountain views, floating stone vanities, and warm, organic textures throughout, complemented by wide plank hardwood floors and bespoke lighting. One of only 16 residences along this coveted hillside, the home offers direct access to Lake Murray's trails and natural beauty, top-rated schools including Hearst Elementary and Patrick Henry HS, no HOA, and easy

access to shopping, dining, and major freeways. A rare opportunity in highly sought after Del Cerro.
