Residential on 0.06 Acres

Del Cerro Heights, San Diego, CA

Tucked into the gated enclave of Del Cerro Heights, this fully reimagined residence pairs designer finishes with sweeping ocean and sunset vistas that stretch clear across the city. Perched in one of the neighborhood's most coveted pockets, and zoned for the highly-regarded Hearst Elementary, Lewis Middle, and Patrick Henry High, the location is as compelling as the home itself. Enter the home and the scale speaks first: 15-foot vaulted ceilings, walls of glass, and an open floor plan that pulls daylight into every corner. Automated blinds in the living room make it effortless to dial in light and privacy on demand. The remodel left nothing behind: a sleek contemporary kitchen, fully refreshed bathrooms, and a primary suite that has been completely reimagined with an oversized walk-in closet and a spa-inspired en-suite built for slow mornings. Wide-plank luxury vinyl runs continuously throughout, lending warmth and a clean, cohesive flow from room to room. Sustainability is built in with an owned solar system that powers efficient day-to-day living, and the oversized garage adds loft storage for everything that doesn't quite fit anywhere else. Beyond the front door, the gated community delivers resort-level amenities: a large pool and spa, tennis courts, a fitness center, sauna, and a private park. Come live in one of San Diego's most scenic hilltop communities.
