Views, views, views!! First time on the market in almost 50 years, this well maintained home offers a rare opportunity in one of San Diego's most established neighborhoods. Tucked away on a private cul-de-sac with no homes directly behind, the property enjoys a peaceful setting and beautiful views toward Cowles Mountain and Mission Trails. The updated eat-in kitchen is filled with natural light and perfectly positioned to take in the mountain views. The primary bedroom enjoys views of the backyard, patio and deck, creating a relaxing retreat. Adding to the home's versatility is a spacious sunroom, not included in the listed square footage, bringing the home's total usable space to over 1,900 square feet. It's an ideal bonus space for relaxing, entertaining, a home office or playroom. Outside, the backyard has multiple areas for relaxing and entertaining, a mature lemon tree, charming fish pond, and an elevated deck where you can take in the surrounding scenery. Lovingly cared for by the same owners for more than five decades, this is a home with a wonderful sense of history and plenty of opportunity to make it your own. Conveniently located near Dailard Elementary, Pershing Middle School and Patrick Henry High School, with easy access to shopping, dining, parks and Mission Trails Regional Park.
