5 Bedroom, 3.00 Bathroom, 2,235 sqft
Residential

San Carlos, San Diego, CA

Welcome home to this two-story, five-bedroom, three-bathroom corner lot home ideally situated within walking distance of Cowles Mountain. This home's curb appeal cannot be missed with the lush, green landscaped front yard that shows the home's attention to detail and maintenance. Inside, the galley-style kitchen features solid-wood cabinetry with pull-out drawers, Corian countertops, stainless steel range, built-in microwave, recessed lighting, and parquet wood flooring. The spacious living room offers a rock-surround fireplace with an oversized rock-tile hearth. Additional features throughout the home include dual-pane windows and sliders, plantation-style shutters, ceiling fans, Upper and lower FAU & AC and abundant storage. There is a finished enclosed patio room leading from the kitchen/living room that features surround windows and is currently used as a family room which is its highest and best use, or you can take it back to a finished covered patio or remove it to have a larger backyard. This adds an additional 300+ Sq. Ft. to the home making it around 2600 sq. ft. Two bedrooms are conveniently located on the main level with one of the bedroom closets having a built-in organizer, while the second offers a generous, oversized closet. The hallway linen closets provide additional storage on both levels. All three bathrooms have tiled flooring, glass-enclosed walk-in tiled showers and well-appointed vanities. Upstairs, you'll

find the three remaining bedrooms. The spacious primary suite has views of Cowles Mountain and a private bathroom. See Supplement
