Residential

Santa Fe Hills, Solana Beach, CA

Breathtaking lagoon views stretching from the ocean to the mountains from a rarely available vantage point, one of the best in all of Santa Fe Hills. Very few homes are right on the San Elijo lagoon with no properties behind or below you! Open the magnificent hand carved wood Dutch front door by artist David Frisk and step into the heart of the home...a gourmet kitchen with a large center island, granite countertops, stainless appliances, & a full wrap of windows framing the lagoon like a living painting. The family room has its own fireplace and wet bar with a large sliding glass door opening directly to the covered back patio, where lush landscaping and unobstructed lagoon, mountain and ocean views create an outdoor living space you will never want to leave. The dining room's plantation shutters open to a view of the water and lead to the spacious, warm and inviting living room with a fireplace. Experience the sunrise, sunset and ocean views from your primary bedroom with private upper deck or the back and side yard outdoor patio areas. Tranquil front courtyard with paver patio and mature fruit trees. 3 of the 4 upstairs secondary bedrooms also have ocean & lagoon views, one is perfectly suited as a home office, with windows looking directly out to the ocean. Spacious, light & bright first floor bedroom and full bath is perfect for guests. 3 car garage! Just down the street is the Santa Carina walking trail which runs along the lagoon & makes it easy to get your steps in as you enjoy the ocean breeze.
