3 Bedroom, 4.00 Bathroom, 1,932 sqft

Residential on 3.56 Acres

N/A, Valley Center, CA

Set on 3.56 acres in the hills above Valley Center, this fully reimagined single-story ranch commands sweeping panoramic views of Palomar Mountain and the valley floor visible from the front, the rear, and even the detached garage. From the covered porch, the home opens into a dramatic great room where vaulted, open-beam ceilings rise above light oak-toned plank flooring. Oversized picture windows frame the mountain panorama alongside a floor-to-ceiling stone fireplace. Flowing into the dining area, the fully redesigned kitchen brings together white shaker cabinetry, a white oak-toned island with bar seating, dark quartz countertops, counter-to-ceiling white ceramic tile backsplash, new stainless steel appliances, and polished chrome hardware refined without being overdone. Down the private hall, the primary suite offers a walk-in closet and an en suite with dual-sink warm wood vanity, dark quartz countertops, and a walk-in glass shower clad in taupe-and-cream checkered tile. Two additional bedrooms share a full hall bath with tub featuring designer finishes. Out back, the rear patio opens to panoramic views with an outdoor kitchen, built-in grill, and sink. Up front, a second covered patio extends the living space toward the valley below. Attached garage includes a full bath and laundry hookups. Across the lot, the detached 3-car structure outfitted with solar, a covered patio, half bath, and its own septic system arrives ready for an ADU conversion or dream

workshop, with acreage to spare for a future pool, RV storage, and whatever comes next.
