5 Bedroom, 6.00 Bathroom, 3,572 sqft
Residential on 11.82 Acres

N/A, Valley Center, CA

Welcome to The Overlook at Paradise Mountain. 11.82 acres with expansive westerly views, direct horseback access to Hellhole Canyon, and a property designed for far more than everyday residential living. Completed in 2018, this custom single-level Valley Center estate combines timber-and-stone architecture with extensive outdoor living, equestrian facilities, a permitted 4,000 sq. ft. workshop and an approved ADU site. From the great room and rear patio, the elevated setting looks west across the surrounding hills, creating a front-row view of the evening sunsets. Inside the approximately 3,572 sq. ft. residence, exposed timber beams, natural stone, walnut engineered hardwood flooring and Andersen windows with custom walnut casings create a warm, substantial interior. Large bi-fold and sliding glass doors connect the main living areas directly to the covered patio. The floor plan includes five bedrooms, each with its own ensuite full bath, plus a powder room and an additional half bath in the attached 3-car garage. The kitchen is finished with custom walnut cabinetry, granite counters, a professional Wolf range, Sub-Zero refrigerator and freezer, Cove dishwasher, pot filler and built-in Miele coffee system with cup-warming tray. Just beyond it, the living-room bar was built for serious entertaining, with an integrated refrigerator, dual kegerator with custom taps, glass rinser, ice maker and commercial soda

system. The soda lines route through the ice maker before reaching the bar gun, keeping beverages chilled through the pour. The primary suite includes direct slider access

Built in 2018
