Come and see this freshly remodeled home with a gorgeous view of Palomar Mountain. Every room was improved during a recent remodel, including new high quality LVP flooring in main areas, tile in bathrooms, carpet in bedrooms, added lighting and fans. Fireplace in living room was given a refresh with new natural stone veneer and new mantle. Both bathrooms were fully remodeled including a free standing tub in the master bathroom and new vanities, shower enclosures, toilets, lighting, tile, and accessories. All bedrooms received new mirrored closet doors and the interior received a fresh coat of paint. Property was previously used as a horse property and there is room for a potential ADU.
