Residential

Gopher Canyon, Vista, CA

Perched above a private vineyard setting, this gated mid-century modern estate spans nearly 5 acres across 3 separate parcels with their own addresses and captures sweeping mountain, valley, vineyard, and ocean views from nearly every room. Offering exceptional privacy while remaining close to Bonsall, Vista, and freeway access, this is a rare North County retreat. The 4 bedroom, 3 bath home features vaulted ceilings, expansive picture windows, solid wood flooring, redwood siding, and seamless indoor-outdoor living. The great room is filled with natural light and panoramic views, while the fully redesigned kitchen was rebuilt in 2019 with imported Siematic cabinetry from Germany, Wolf appliances, and custom design by 4 Corners and InPlace Studio La Jolla. Major upgrades included new framing, roofing, plumbing, electrical, furnace installation, and slab foundation. The private primary suite offers vaulted ceilings, dual bathrooms, separate walk-in closets, custom office space, oversized walk-in shower (2026), and private deck access overlooking the surrounding landscape. Outdoor amenities include a resort-style pool, gas fire pit, wine cellar and tasting area, mature citrus grove with 8 varieties of trees, garden paths, and a new blacktop motor court completed in 2022. Roof replaced in 2019. Both parcels below are zoned agricultural with their own water meters and one includes an oversized detached 2-car garage with a bathroom.
