Light, bright, and immaculate single-story home that has just been 95% completely updated with more than \$250,000 in upgrades less than two years ago. Horses are allowed on this property with a permit from the County of San Diego. Three or four neighbors have horses. Starting with the kitchen, it has all new, highly upgraded KitchenAid appliances. The only exception is the Stainless Steel 42" KitchenAid refrigerator that is ten years+ old, but still working like the champ that it is. There is an extremely large white quartz Island that has a quartz wrap around to the floor on both ends of this majestic Kitchen Island. It also has a KitchenAid stovetop and a KitchenAid Island Mounted 3-Speed Canopy Vent. The Stainless Steel kitchen sink is an oversized 40" sink right under a window. All new "solid wood" cabinets have been installed in this chef's paradise. Matching white quartz countertops throughout the kitchen as well. This entire kitchen has been redesigned to maximize this large floor plan from the ground up to include all new water pipes within the entire home. Two years ago. The kitchen flows right into a 29-foot by 25-foot living room with a very inviting custom-made bar to your right and a newly refinished modern fireplace to the far left corner. The bar also has a white quartz countertop with no seams. Meaning it was cut from one oversized slab. The kitchen also flows into your formal dining room, then right into a large family room/pool table room. The Primary bedroom has a very large bathroom

that was totally remodeled with a large walk-in shower that has two show
